Dear Sirs,

Attached please find the completed form 499A for 2005, and 2006 as printed from the internet filing site, and the letter of appeal dated March 3, 2006. We at Global Connection Inc. of America disagree with this collection amount of \$131,266.10 for the following reasons.

The initial form 499Q filed for August 1, 2005 with historical revenues for the period of April 1, 2005 through June 30, 2005 and for projected revenues for the period October 1 through December 31, 2005 was incorrect, and should not have been filed. The term interstate revenue was interpreted to mean calls within the state instead of long distant calls. The initial revenues were reported as interstate revenues instead of intrastate revenues. The appeal forms were filed and the reports were trued up. Please revise your invoice to us accordingly.

Thanking you in advance for your time and consideration.

Sincerely,

Houssam Abdallah

CC Docket No. 96-45
Filer ID 825162

Dear Sirs,

Attached please find the completed form 499A for 2005, with a due date of April 2006. We at Global Connection Inc. of America disagree with this form 499-Q rejection letter and request that the fees charged be recomputed for the following reasons:

The initial form 499Q filed for August 1, 2005 with historical revenues for the period of April 1, 2005 through June 30, 2005 and for projected revenues for the period October 1 through December 31, 2005 was incorrect, and should not have been filed. The term interstate revenue was interpreted to mean calls within the state instead of long distant calls. The initial revenues were reported as interstate revenues instead of intrastate revenues. This error was not caught until the November 1, 2005 499Q form was reviewed. At that time we attempted to correct the August 1, 2005 form, but we were not within the 45 day window. We have completed the 499A for 2005 on the form 499A with a due date of April 2006 and would like to have the amounts due trued up at this time. The information on the person who can most readily discuss this appeal with USAC is; Larry Brown CPA, 2614 Kelly Lake Road, Decatur, GA 30032, phone numbers – Office phone 404-381-0707, Cell phone 404-520-3331, fax number 404-241-9741, and e-mail address dappyman@ix.netcom.com

Thanking you in advance for your time and consideration.

Sincerely,

The Universal Service Administrative Company (USAC) twice demanded payment and provided other correspondence (Demand(s)) to the entity referenced above (You or Debtor) concerning a Debt due and payable to the federal Universal Service Fund (USF) (a debt owed to the United States). The Debt results from Debtor's non-payment of USF contributions for a specific period. Consequently, if You have an arrearage in other payments, You will receive additional Demands. Because Debtor failed to pay the Debt and the accrued interest, administrative costs, and penalties, it has been referred to the Federal Communications Commission (Commission). The Commission has determined that the outstanding Debt, including presently accrued interest, administrative costs, and penalties owed to the USF is **\$131,266.10** to date. In that regard, the balance owed on the referred Debt does not include subsequent arrearages. As stated in the Demand(s), federal law requires the collection of interest and penalties on an outstanding debt owed to the United States.

This Notice is to inform You/Debtor that within 30 calendar days of the date of this letter (Last Due Date), full payment of the Debt (computed as of) the date of payment must be received by the Commission, or satisfactory documentary evidence must be provided to the Commission that the Debt is not due. Payment of this Debt does not satisfy or discharge any other debt that You may owe. Your remittance must be delivered in a manner so as be received on or before the Last Due Date by the Commission at the following address:

Federal Communications Commission
P.O. Box 358340
Pittsburgh, PA 15251-5340

If the Commission does not receive the full payment of the Debt(as computed to the date of payment) by the Last Due Date, the Commission will promptly transfer the Debt to the United States Department of the Treasury (Treasury) or the United States Department of Justice for collection. Transfer of the Debt may result in sanctions, including, but not limited to, the initiation of proceedings to recover the outstanding debt, together with all

applicable administrative charges, penalties, and interest pursuant to the provisions of the Debt Collection Act of 1982 and the Debt Collection Improvement Act of 1996, as amended (the DCIA). Collection efforts may include, among other processes and procedures, use of collection centers, collection agencies, tax refund offset, administrative offset, and/or litigation to collect the Debt and other costs.

Under the DCIA, interest and penalties accrued from the date of the First Demand. In addition, You are required to pay the administrative costs of processing and handling a delinquent claim as set by the Treasury (currently 18% of the debt). These requirements are set out at 31 U.S.C. § 3717.

If this debt has been satisfied or otherwise mitigated, You/Debtor must, before the Last Due Date, provide evidence satisfactory to the Commission, such as a verified copy of the cancelled check, which satisfied the full amount of the Debt, or a Resolution Letter issued by USAC or the Commission, together with a copy of this Notice to the Commission at the following address:
